

NOTE:

- ▶ The **Conference Proceedings** of **ICOME CYME** will be published by **SPRINGER**, Part of the Lecture Notes in Networks and Systems book series;
- ▶ It is mandatory that the **scientific papers be sent until the 15th of MAY**, as they will be sent to SPRINGER Publishing House;
- ▶ Please observe strictly the "Important Dates".

3rd International Conference of MECHATRONICS & CYBER-MIXMECHATRONICS

«ICOME CYME»

SEPTEMBER, 5th – 6th 2019 / Bucharest, Romania

Chairman:

Professor Dr.h.c. Ph.D, Eng., EurEng, Gh. Ion Gheorghe (RO),
Corresponding Member of The Academy of Technical Sciences of Romania.
e-mail: incdmtm@incdmtm.ro

Conference website: <http://incdmtm.ro/icomecyme2019?lang=en>

Conference language is English.

All conference papers will be included in the Proceedings. Based on a single blind evaluation, selected papers will be listed in the **International Journal of Mechatronics and Applied Mechanics - IJOMAM** (www.ijomam.com) which is indexed in **SCOPUS, EBSCO, EiCompendex and PROQUEST**.

Each paper published in this scientific journal has a **DOI** assigned.

Scope

The conference aims to promote scientific research results, technological development and innovation in Europe, but also to familiarize participants in other countries with the Romanian state of the art in **mechatronics, applied mechanics, cyber-mixmechatronics and other specialized smart fields**, by facilitating the interaction and exchange of experience and good practice between specialists in universities, research institutes and private companies.

Important Dates:

- March 11th, 2019 – Title(s) and abstract(s) submission
- May 15th, 2019 – Deadline for full paper(s) submission
- May 30th, 2019 – Notification on acceptance/rejection
- August 19th, 2019 – Opening on-line registration for authors
- September 2nd, 2019 – Deadline for on-line registration of other participants.

CONFERENCE ORGANIZERS:

National Institute of Research and Development in
Mechatronics and Measurement Technique,
Bucharest - Romania

Relay Center of
Technological Transfer and
Consultancy

MECHATREC - Regional
Cluster in Mechatronics
Bucharest-Ilfov

Main topics:

- Integrated Mechatronics
- Integronics and Adaptronics
- Cyber-mechatronic and cyber-mixmechatronics
- Claytronics and cyber- claytronics
- Applied Mechanics
- High-tech mechatronic, micro-mechatronic and nano-mechatronic systems;
- Mechatronic processes in production and intelligent integrated control;
- Mechatronic Intelligent system production and control;
- Robotics, micro-robotics and nano-robotics;
- Modeling and simulation in mechatronics;
- Integrated intelligent control systems;
- Computer image and imaging processing;
- Smart bio-medical and bio-mechatronic systems;
- MEMS and NEMS;
- Instrumentation and measurement;
- Smart environmental systems;
- Process monitoring;
- New materials;
- Technology transfer of high-tech mechatronic in industry;
- Water network monitoring;
- Sensors, micro-nanosensors and transducers, micro-nanotransducers;
- System and computer engineering;
- Intelligent micro-nanoengineering;
- Intelligent measurement technique;
- Nano-chemistry, physical chemistry of biological systems;
- Chemical reactions: mechanisms, dynamics, kinetics and catalytic reactions;
- Micro – Nanotechnology;
- System optimization;
- Risk integrated management;
- Gas and oil networks monitoring;
- Communication and distributed intelligent systems;
- High productivity and high added-value industrial services;
- and other specialized smart fields.

Conference fee

Regular participants: 250 €

Students and graduates: 100 €

Regular participant fee covers:

- Participation in all scientific activities
- Conference proceedings (paper template included)
- Coffee and Lunch breaks
- Networking activities

The Conference fee can be paid

by: bank transfer before September 4th, 2019 (we can see below the bank details), or in cash at the registration desk on the first day of the conference. Please be sure to give your name on all payments. Receipts will be handed out at the conference. Please contact us for invoices and about the status of the payment.

For foreign participants:

Account owner: NATIONAL INSTITUTE OF RESEARCH AND DEVELOPMENT IN MECHATRONICS AND MEASUREMENT TECHNIQUE

Beneficiary address: 6-8 Pantelimon Road, 2nd District, 021631-Bucharest, ROMANIA

Bank account number: RO93RNCB0073049977150002

Bank address: BCR Sucursala Sector 2, Str. Popa Lazar, nr. 8, sector 2, Bucharest, Romania

SWIFT code: RNCB RO BU

For Romanian participants:

Account owner: Institutul Național de Cercetare – Dezvoltare pentru Mecatronică și Tehnica Măsurării – INCDMTM

Beneficiary address: Șos. Pantelimon, nr. 6-8, sector 2, Bucuresti

The account where the payment should be made is:

RO23RNCB0073049977150001, BCR Sucursala Sector 2, Str. Popa Lazăr, nr. 8, sector 2, București, România

With the attached note:

ICOME CYME 2019

Name, surname, name of the Institution, address.

After cash receipts invoices will be handed out, please give us the TAX number (PAYMENT ORDER).

Supplementary information can be obtained at the following address: incdmtm@incdmtm.ro, or on the number: (+40) 21 252 20 96.

Venue

The Conference will be held on September 5th - 6th, 2019 in Bucharest.
